Dear Mr. Zampiello,

I am in receipt of your letter dated December 01, 2016. I have reviewed your letter as well as the police reports regarding what I believe is the incident you are referring to, your arrest on February 07, 2014 by Officer Bolling and Officer Mancini. The matter was also brought to the attention of Chief Kulhawik and discussed.

During and following your arrest the officers followed standard protocol and procedures, both at the Police Department in the Holding Facility and at the Norwalk Hospital. Your bond was set by the Shift Commander in accordance with our Directives and Policies. It was noted that you were able to bond out within hours of your arrest.

After reviewing all of the information related to this case and arrest I do not find that the officers acted inappropriately.
